## Parental Request for In-School Medication

Name \_\_\_\_\_ School \_\_\_\_\_

Grade \_\_\_\_\_ Date of Birth \_\_\_\_\_

I give permission for \_\_\_\_\_ to be given the following medication by the School Nurse or other unlicensed trained school personnel.

<b>Name of Medication</b> _____
<b>Dosage of Medication</b> _____
<b>Date/s to be given</b> _____
<b>Time to be given/intervals in-between doses</b> _____
<b>Route of Medication</b> _____
<b>Purpose of Medication</b> _____

**Prescription medication:** The medication must be in the original container with a current pharmacy label that includes: student name, medication, dose and time, date of prescription and the physician's name. Medication can only be given as instructed on the label.

**Over the Counter medication:** The medication will be provided by the parent, be in the original container, and labeled with the student's name, dose and time. Medication can only be given as directed on the bottle for age and dose. Any changes in the manufacturer's recommendation will require a written order from the physician. Any medication not properly labeled or stored cannot be given at school. No medication can be given without completion of this form. Medication can be withheld based upon nursing assessment. Parents will be notified. **All medications must be stored at the school nurse's office, unless all requirements for self-management of a condition have been met.**

### Self Management Requirements

- Written request/authorization of the student's parent/guardian
- Receipt of a signed no-liability statement by parent/guardian
- Written authorization of the student's physician
- Development of a Self Management Plan for the student
- Documentation of successful demonstration of student's management

I am not aware of any side effects, adverse reactions or any other problems my student is experiencing with this medication. I understand that I am primarily responsible for monitoring the effects of this medication. The school Nurse has my permission to contact Dr. \_\_\_\_\_ or his designee, regarding this medication.
